

Meteor

The new & improved Meteor Emergency Luminaire offers a cost effective solution for emergency lighting, without compromising quality.

The optically enhanced diffuser produces evenly directed light distribution giving greater flexibility for design of lighting schemes.

Designed for easy installation, with snap fit gear tray and diffuser. Cable entry is available on the rear and on each end of the fitting, giving standard BEESA box and through conduit options.

Optional accessories ensure that the Meteor can be used in most lighting schemes.

SPECIFICATION

- 8 watt, 3 hour luminaire
- Economically priced
- IP65 weatherproof
- 18 metre viewing distance (with legend)
- 1 year guarantee
- Available in 110V AC version
- Photocell option
